

FOREWORD

Thank you for choosing Hyundai. We are pleased to welcome you to the growing number of discriminating people who drive Hyundais. The advanced engineering and high-quality construction of each Hyundai we build is something of which we're very proud.

Your Owner's Manual will introduce you to the features and operation of your new Hyundai. It is suggested that you read it carefully because the information it contains can contribute greatly to the satisfaction you receive from your new car.

The manufacturer also recommends that all service and maintenance on your car be performed by an authorized Hyundai dealer. Hyundai dealers are prepared to provide high-quality service, maintenance and any other assistance that may be required.

HYUNDAI MOTOR COMPANY

Note: Because future owners will also need the information included in this manual, if you sell this Hyundai, please leave the manual in the vehicle for their use. Thank you.

CAUTION:

Severe engine and transaxle damage may result from the use of poor quality fuels and lubricants that do not meet Hyundai specifications. You must always use high quality fuels and lubricants that meet the specifications listed on Page 9-4 in the Vehicle Specifications section of the Owner's Manual.

CAUTION: MODIFICATIONS TO YOUR HYUNDAI

Modification of components may void the manufacturer's warranty. Your Hyundai should not be modified in any way. Modifications may adversely affect the safety, durability and performance of your Hyundai. Components which are subjected to modification or are added to the vehicle resulting in consequential damage are not covered by the vehicle manufacturer's warranty.

THIS HYUNDAI OR CELLULAR TELEPHONE INSTALLATION

Your vehicle is equipped with electronic fuel injection and other electronic components. It is possible for an improperly installed/adjusted two-way radio or cellular telephone to adversely affect electronic systems. For this reason, we recommend that you carefully follow the radio manufacturer's instructions or consult your Hyundai dealer for precautionary measures or special instructions if you choose to install one of these devices.

SAFETY AND VEHICLE DAMAGE WARNING

This manual includes information titled as WARNING, CAUTION and NOTE.
These titles indicate the following:

WARNING:

This indicates that a condition may result in harm, serious injury or death to you or other persons if the warning is not heeded. Follow the advice provided with the warning.

CAUTION:

This indicates that a condition may result in damage to your vehicle or its equipment if the caution is not heeded. Follow the advice provided with the caution.

NOTE:

This indicates that interesting or helpful information is being provided.

GUIDE TO HYUNDAI GENUINE PARTS

1. What are Hyundai Genuine Parts?

Hyundai Genuine Parts are the same parts used by Hyundai Motor Company to manufacture vehicles. They are designed and tested for the optimum safety, performance, and reliability to our customers.

2. Why should you use genuine parts?

Hyundai Genuine Parts are engineered and built to meet rigid manufacturing requirements. Using imitation, counterfeit or used salvage parts are not covered under the Hyundai New Vehicle Limited Warranty or any other

Hyundai warranty. In addition, any damage to or failure of Genuine Hyundai Parts caused by the installation or failure of an imitation, counterfeit or used salvage part is not covered by Hyundai Motor Company.

3. How can you tell if you purchasing Hyundai Genuine Parts?

Look for the Hyundai Genuine Parts Logo on the package (see below).

The export specifications are written in English only.

Hyundai Genuine Parts are only sold through authorized Hyundai Dealership and Service Center.

INSTRUMENTS AND CONTROLS (LEFT-HAND DRIVE) (I)

B250A01NF-GAT

B250A01NF

1. Headlight Leveling Device Switch (If Installed)
2. Rear Fog Light Switch (If Installed)
3. Headlight Washer Switch (If Installed)
4. Electronic Stability Program (ESP) Switch (If Installed)
5. Panel Brightness Control Knob (Rheostat Switch)
6. Hood Release Lever
7. Steering Wheel Tilt Lever
8. Front Seat Warmer (If Installed)
9. Power Outlet
10. Front Ashtray
11. Cigarette Lighter
12. Digital Clock
13. Hazard Warning Switch
14. Passenger's Seat Belt Warning Light (If Installed)

CAUTION:

When installing a container of liquid air freshener inside the vehicle, do not place it near the instrument cluster nor on the instrument panel pad surface. If there is any leakage from the air freshener onto these areas (Instrument cluster, instrument panel pad or air ventilator), it may damage these parts. If the liquid from air freshener does leak onto these areas, wash them with water immediately.

NOTE:

Switch arrangements from No. 2 to No. 6 can be changed according to options.

INSTRUMENTS AND CONTROLS (LEFT-HAND DRIVE) (II)

B250B01NF-GAT

B250A02NF

1. Fuse Box
2. Multi Box
3. Instrument Cluster
4. Multi-Function Light/Front Fog Light Switch (If Installed)
5. Audio Remote Control Switch (If Installed)
6. Horn and Driver's Airbag (If Installed)
7. Windshield Wiper/Washer Switch
8. Cruise Control Switch (If Installed)
9. Audio System (If Installed)
10. Passenger's Airbag (If Installed)
11. Passenger's Front Airbag ON/OFF Switch (If Installed)
12. Glove Box
13. Heating/Air Conditioning Control Panel
14. Shift Lever
15. Parking Brake Lever
16. Drink Holder
17. Center Console
18. Rear Ashtray

CAUTION:

When installing a container of liquid air freshener inside the vehicle, do not place it near the instrument cluster nor on the instrument panel pad surface. If there is any leakage from the air freshener onto these areas (Instrument cluster, instrument panel pad or air ventilator), it may damage these parts. If the liquid from air freshener does leak onto these areas, wash them with water immediately.

INSTRUMENTS AND CONTROLS (RIGHT-HAND DRIVE) (I)

B250C01NF-GAT

B250A01NF-R

1. Passenger's Seat Belt Warning Light (If Installed)
2. Hazard Warning Switch
3. Digital Clock
4. Cigarette Lighter
5. Front Ashtray
6. Power Outlet
7. Front Seat Warmer (If Installed)
8. Panel Brightness Control Knob (Rheostat Switch)

9. Electronic Stability Program (ESP) Switch (If Installed)
10. Steering Wheel Tilt Lever
11. Headlight Washer Switch (If Installed)
12. Rear Fog Light Switch (If Installed)
13. Headlight Leveling Device Switch (If Installed)
14. Hood Release Lever

CAUTION:

When installing a container of liquid air freshener inside the vehicle, do not place it near the instrument cluster nor on the instrument panel pad surface. If there is any leakage from the air freshener onto these areas (Instrument cluster, instrument panel pad or air ventilator), it may damage these parts. If the liquid from air freshener does leak onto these areas, wash them with water immediately.

NOTE:

Switch arrangements from No. 11 to No. 13 can be changed according to options.

INSTRUMENTS AND CONTROLS (RIGHT-HAND DRIVE) (II)
